(c) All viatical settlement contracts entered into in this State shall provide the viator with an unconditional right to rescind the contract for at least 30 days from the date the contract is executed or 15 days from the receipt of the viatical settlement proceeds, whichever is less. If the insured dies during such rescission periods, the contract shall be deemed to have been rescinded subject, however, to repayment to the viatical settlement provider of any viatical settlement payments.

(d) Immediately upon receipt from the viator of documents to effect the transfer of the insurance policy, the viatical settlement provider shall pay the entire proceeds of the settlement into an escrow or trust account managed by an escrow agent or trustee in a state or federally chartered financial institution that is a member of the Federal Reserve System pending acknowledgment of the transfer by the issuer of the policy. The trustee or escrow agent shall be required to transfer the proceeds due to the viator immediately upon receipt of acknowledgment of the transfer from the insurer.

(e) Failure to tender the viatical settlement by the date disclosed to the viator renders the contract a nullity.

(f) A viatical settlement agent may not receive a fee, commission, or other valuable consideration for his or her services involving unlicensed viatical settlement providers with respect to (1) viatical settlements or (2) the assignment or resale of viaticated policies.

(g) A viatical settlement provider may not pay a person not appointed as an agent by that provider any fee, commission, or other valuable consideration for his or her services with respect to (1) viatical settlements or (2) the assignment or resale of viaticated policies.

(i) A viatical settlement agent may not receive any compensation from a prospective viator or a viator.

(j) If the viator rescinds the viatical settlement contract, the viatical settlement provider shall notify the issuer of the insurance policy of the rescission. The notification shall be made by the viatical settlement provider to the issuer of the insurance policy within 20 days from the date the viatical settlement provider receives the rescission request from the viator.
