4.Immunity. A cause of action may not arise against any person for the act of communicating or delivering information or data to the superintendent or the superintendent's authorized representative or examiner pursuant to an examination made under this chapter if the act of communication or delivery was performed in good faith and without fraudulent intent or the intent to deceive. For purposes of this paragraph, a proceeding is "substantially justified" if the proceeding had a reasonable basis in law or fact at the time that it was initiated. [2003, c. 636, §10 (NEW).]
[2003, c. 636, §10 (AMD).]

5.Conduct of examinations. The following provisions govern the conduct of examinations.**A.** Upon determining that an examination should be conducted, the superintendent shall issue an examination warrant appointing one or more examiners to perform the examination

[2003, c. 636, §10 (NEW).]**B.** Every licensee or person from whom information is sought and its officers, directors and agents shall provide to the examiners timely, convenient and free access at all reasonable hours at its offices to all books, records, accounts, papers, documents, assets and computer or other recordings relating to the property, assets, business and affairs of the licensee or person being examined. The officers, directors, employees and agents of the licensee or person shall facilitate the examination and aid in the examination insofar as it is in their power to do so. The refusal of a licensee, by its officers, directors, employees or agents, to submit to examination or to comply with any reasonable written request of the superintendent is grounds for suspension or refusal of, or nonrenewal of, any license or authority held by the licensee to engage in the business of settlements or other business subject to the superintendent's jurisdiction. Findings of fact and conclusions made pursuant to any examination are prima facie evidence in any legal or regulatory action. [2003, c. 636, §10 (NEW).]**F.** This chapter may not be construed to limit the superintendent's authority to use and, if appropriate, to make public any final or preliminary examination report, any examiner or licensee workpapers or other documents or any other information discovered or developed during the course of any examination in the furtherance of any legal or regulatory action that the superintendent may, in the superintendent's sole discretion, consider appropriate. No later than 60 days following completion of the examination, the examiner in charge shall file under oath with the superintendent a verified written report of examination. Upon receipt of the verified report, the superintendent shall transmit the report to the licensee examined, together with a notice that affords the licensee examined a reasonable opportunity of not more than 30 days to make a written submission or rebuttal with respect to any matters contained in the examination report. In the event the superintendent determines that

regulatory action is appropriate as a result of an examination, the superintendent may initiate any proceedings or actions provided by law. [2003, c. 636, §10 (NEW).]

7. Confidentiality of examination information. The disclosure of information is governed by this subsection. **A.** Names and individual identification data for all viators and insured persons are considered private and confidential information and may not be disclosed by the superintendent, unless required by law. [2003, c. 636, §10 (NEW).] **B.** Except as otherwise provided in this chapter, all examination reports, workpapers, recorded information, documents and copies thereof produced by, obtained by or disclosed to the superintendent or any other person in the course of an examination made under this chapter, or in the course of analysis or investigation by the superintendent of the financial condition or market conduct of a licensee, are confidential by law and privileged, are not subject to subpoena and are not subject to discovery or admissible in evidence in any private civil action. The following provisions apply.**A.** An examiner may not be appointed by the superintendent if the examiner, either directly or indirectly, has a conflict of interest or is affiliated with the management of or owns a pecuniary interest in any person subject to examination under this chapter. This section may not be construed to automatically preclude an examiner from being:(1) A viator;(2) An insured in an insurance policy acquired pursuant to a settlement contract; or(3) A beneficiary in an insurance policy that is proposed to be acquired pursuant to a settlement contract. [2003, c. 636, §10 (NEW).]**B.** Notwithstanding the requirements of this subsection, the superintendent may retain from time to time, on an individual basis, qualified actuaries, certified public accountants or similar individuals who are independently practicing their professions, even though these persons may from time to time be similarly employed or retained by persons subject to examination under this chapter. [2003, c. 636, §10 (NEW).]

[2009, c. 376, §13 (AMD).]

5.Effect of failure to tender consideration. Failure to tender consideration for the settlement under the terms of the settlement contract renders the contract voidable for lack of consideration until the time consideration is tendered to and accepted by the viator.

The insured may change this designation at any time upon written notice to the settlement provider. Contacts with the insured for the purpose of determining the health status of the insured after the settlement has occurred are limited to once every 3 months for insureds with an estimated life expectancy of more than one year and once per month for insureds with a life expectancy of one year or less. The settlement provider shall explain to the insured the procedure for these contacts prior to the time the settlement contract is entered into. The limitation in this rule on contacts does not apply to contacts made for reasons other than

B. A life insurance company that acknowledges and records an absolute assignment of life insurance policy or rights under a group life insurance policy may rely solely on the authorization of the assignor to make the assignment and the life insurance company is not

obligated to inquire into the validity, sufficiency or terms of the assignment. In acknowledging and recording an assignment, a life insurance company acting in good faith and reliance on the presentation of the absolute assignment, acts in a ministerial capacity and may exhibit no discretion as to whether an assignor may make the assignment or whether the assignment conforms with applicable law. [1997, c. 430, §1 (NEW); 1997, c. 430, §2 (AFF).]
[2003, c. 636, §13 (AMD).]

2.Rights under an assignment. The following provisions apply to an assignment.**A.** For life insurance contracts that permit assignment:(1) A person has the right to assign, transfer, sell or bequeath the ownership of or death benefit payable under a life insurance policy or certificate at any time for any remaining portion of that coverage after exercising any option for accelerated benefits;(2) A person also has the right to assign, transfer, sell, devise or bequeath the ownership of or death benefit payable under a life insurance policy or certificate if that coverage is on disability waiver of premium at any time; and(3) The absolute assignee of an individual life insurance policy or of all rights under a group life insurance policy has all rights at law or in equity as the assignor held under that policy, including, but not limited to, the right to convert the coverage to an individual policy, the right to timely notice of the right to that conversion at the time that right accrues, the right to make premium payments or take such other action as may be necessary under the policy in order to preserve the value of the coverage assigned, the right to receive information concerning the coverage, the right to receive notice of a lapse or discontinuation of coverage, the exclusive right to exercise any options concerning the assigned coverage during an open enrollment period and all such other rights and privileges initially granted to a person under the terms of the individual or group life insurance policy. [2003, c. 636, §13 (AMD).]**B.** A person has the right to exercise any option for accelerated benefits under the terms of any individual or group life insurance policy at any time for any unassigned portion of that policy or certificate. [2003, c. 636, §13 (AMD).]
[2003, c. 636, §13 (AMD).]

3.Failure to give notice under group life insurance policy. If the rights under a group life insurance policy have been assigned and the administrator of the policy fails to give notice to the assignee that a person is no longer a covered person under the group and of the right to convert the policy to an individual life insurance policy, the period of time during which the assignee must make application for conversion under the terms of the group life insurance policy begins from the date the notice is given to the assignee.
[2003, c. 636, §13 (AMD).]

4.Riders and postsettlement increases or additions. With respect to policies containing a provision for double or additional indemnity for accidental death or any other riders or additional death benefits, including the increase in the death benefit in excess of the amount of the death benefits of the date the settlement contract is effected at the time the policy is assigned, transferred, sold, devised or bequeathed, unless otherwise mutually agreed to in writing by the viator and the settlement provider, the additional amount remains payable to the beneficiary last named by the viator prior to entering into the settlement contract or to such other beneficiary other than the settlement provider as the viator may thereafter designate or, in the absence of a designation, to the estate of the viator.
[2003, c. 636, §13 (AMD).]

5.Prohibition on settlements. It is a violation of this chapter for any person to enter into a settlement contract at any time prior to, or at the time of the application for, the issuance of a policy or within a 2-year period commencing with the date of issuance of the insurance policy or certificate unless the viator certifies to the settlement provider that one or more of the following conditions have been met within the 2-year period:**A.** The policy was issued upon the viator's exercise of conversion rights arising out of a group or individual policy, as long as the total of the time covered under the conversion policy plus the time covered under the prior policy is at least 24 months. The time covered under a group policy must be calculated without regard to any change in insurance carriers, as long as the coverage has been continuous and under the same group sponsorship; and [2003, c. 636, §13 (NEW).]**B.** The viator submits independent evidence to the settlement provider that one or more of the following conditions have been met within the 2-year period:(1) The viator or insured is terminally ill or chronically ill; or(2) The viator or insured disposes of the viator's entire ownership interest in a closely held corporation pursuant to the terms of a buyout or other similar agreement in effect at the time the insurance policy was initially issued. [2003, c. 636, §13 (NEW).]
[2007, c. 543, §6 (AMD).]

6.Submission of certification. If the settlement provider submits to the insurer a copy of the owner's or insured's certification described in subsection 5 when the settlement provider submits a request to the insurer to effect the transfer of the policy or certificate to the settlement provider, the copy is deemed to conclusively establish that the settlement contract satisfies the requirements of this section and the insurer shall timely respond to the request.
[2003, c. 636, §13 (NEW).]

24-A M.R.S. § 6811

Section 6812 - Insurance company practices**1.Duty to provide information.** In addition to the provisions in section 6809, an insurance company that is licensed to do business in this State shall promptly respond to reasonable requests for policy information from a settlement provider or settlement producer upon the receipt of the following documents in the office of the insurance company:**A.** An authorization signed by the viator to release specified information regarding the policy or certificate to a named licensed settlement provider or settlement producer; and [2003, c. 636, §13 (AMD).]**B.** A request in writing from the settlement provider or settlement producer for the specified policy or certificate information. [2003, c. 636, §13 (AMD).]

Requests for the following items related to the policy or certificate that is the subject of a settlement transaction are deemed to be reasonable: ownership of and death benefits under the policy or certificate; premium information on the policy or certificate; liens, assignments and additional benefits; waiver of premium; and ownership and assignment provisions. The information provided must be the most recent information on file. By rule, the superintendent may specify additional criteria for information requests deemed reasonable under this section by a settlement provider.

[2003, c. 636, §13 (AMD).]

2.Conversion of group insurance. An issuer or 3rd-party administrator of a group life insurance policy shall promptly issue an individual conversion policy if the conversion is being requested

for the purpose of entering into a settlement contract. For the purposes of this section, issuance of such a policy is deemed timely if it meets relevant standards for timeliness under chapter 23. This subsection may not be construed to create any new conversion rights not already granted by the policy or certificate being acquired pursuant to a settlement contract.
[2003, c. 636, §13 (AMD).]

3.Right to assign rights or benefits. Subsection 1 or 2 does not prohibit a viator under a group life insurance policy from assigning rights or benefits under the policy to a licensed settlement provider or converting the coverage to an individual life insurance policy.
[2003, c. 636, §13 (AMD).]

4.Assignment restrictions prohibited. A policy of group life insurance issued or in existence in this State that permits any assignment of a viator's rights may not restrict the viator from making assignments other than by gift.
[1997, c. 430, §1 (NEW); 1997, c. 430, §2 (AFF).]

5.Purchase of securities. This chapter does not require notice to the superintendent of, or restrict an insurance company from investing in, or participating in, or purchasing any securities issued in any transaction including without limitation any financing, securitization transaction or securities offering in which the licensed settlement provider sells, assigns, transfers, pledges, hypothecates or otherwise disposes of settlement contracts, policies acquired pursuant to settlement contracts or any interest therein.
[2003, c. 636, §13 (AMD).]

6.Protection of policyholder's rights. An insurer may not engage in a transaction, act, practice or course of business or dealing that restricts, limits or impairs in any way the lawful transfer of ownership, change of beneficiary or assignment of a policy. This subsection does not prohibit a lawful contract provision granting irrevocable rights to a beneficiary or lawfully prohibiting assignment.
[2009, c. 376, §14 (NEW).]

24-A M.R.S. § 6812

Section 6812-A - Inquiries and optional disclosures by life insurers**1.Permitted inquiries regarding premium financing.** In addition to any other information a life insurer may lawfully request in an application for insurance, the insurer may ask whether the proposed owner intends to pay premiums with the assistance of financing from a lender that will use the policy as collateral to support the financing, and if so, whether:**A.** The applicant has entered into any agreement or arrangement providing for the future sale of this life insurance policy; [2009, c. 376, §15 (NEW).]**B.** The loan arrangement for the policy provides funds sufficient to pay for some or all of the premiums, costs and expenses associated with obtaining and maintaining the applicant's life insurance policy; [2009, c. 376, §15 (NEW).]**C.** The applicant has entered into any agreement by which the applicant is to receive consideration in exchange for procuring the policy; and [2009, c. 376, §15 (NEW).]**D.** The borrower has an insurable interest in the insured.
[2009, c. 376, §15 (NEW).]
[2009, c. 376, §15 (NEW).]

2.Prohibited transactions. If the information obtained by the life insurer demonstrates that the loan provides funds that can be used for a purpose other than paying for the premiums, costs and expenses associated with obtaining and maintaining the life insurance policy and loan or that the transaction otherwise violates this chapter, the insurer shall reject the application. [2009, c. 376, §15 (NEW).]

3.Optional disclosures by the life insurer. The insurer may make disclosures to the applicant, the insured and other affected persons, either on the application, an amendment to the application or a separate document, in the following form:

"If you have entered into a loan arrangement in which the policy is used as collateral and the policy does change ownership at some point in the future in satisfaction of the loan, the following may be true:

A. A change of ownership could lead to a stranger owning an interest in the insured's life; [2009, c. 376, §15 (NEW).]**B.** Your ability to purchase future insurance on the insured's life could be limited because there is a limit to how much coverage insurers will issue on one life; [2009, c. 376, §15 (NEW).]**C.** Should there be a change of ownership and should you wish to obtain more insurance coverage on the insured's life in the future, the insured's higher issue age, a change in health status or other factors may reduce the ability to obtain coverage or may result in significantly higher premiums; and [2009, c. 376, §15 (NEW).]**D.** You should consult a professional advisor because a change in ownership in satisfaction of the loan may result in tax consequences to the owner, depending on the structure of the loan." [2009, c. 376, §15 (NEW).] [2009, c. 376, §15 (NEW).]

24-A M.R.S. § 6812-A

Section 6814 - Unfair trade practices

A violation of this chapter is an unfair trade practice under Title 5, chapter 10 and subject to the penalties contained in that chapter. [1997, c. 430, §1 (NEW); 1997, c. 430, §2 (AFF).]

24-A M.R.S. § 6814

Section 6815 - Assignment or resale of policies**1.Prohibited transfers.** A settlement provider may not sell, assign, transfer or pledge a policy acquired pursuant to a settlement contract except to a licensed settlement provider or a person exempt from licensing under section 6803. [2003, c. 636, §15 (AMD).]

2.Securities registration. Any sale by a settlement provider of settlement contracts, policies acquired pursuant to settlement contracts or interests therein that constitute a "security" within the meaning of the United States Securities Act of 1933, as amended, or the Maine Uniform Securities Act, as amended, must be registered under those statutes unless there is an available exemption from registration under those statutes. [2005, c. 65, Pt. C, §14 (AMD).]

24-A M.R.S. § 6815

Section 6815-A - Regulatory requirements under Maine Uniform Securities Act

This chapter does not preempt the regulatory requirements set forth in the Maine Uniform Securities Act, as amended, including but not limited to the regulation of securities transactions in settlement contracts or viatical settlement contracts and the licensing of any person or entity engaged in the sale of securities. [2005, c. 65, Pt. C, §15 (AMD).]

24-A M.R.S. § 6815-A

Section 6817 - Advertising of settlements**1.Advertising for settlements.** Every settlement provider licensee shall establish and at all times maintain a system of control over the content, form and method of dissemination of all advertisements of its contracts, products and services. All advertisements, regardless of by whom written, created, designed or presented, are the responsibility of the settlement provider licensee, as well as the individual who created or presented the advertisement. A system of control must include providing regular routine notification, at least once a year, to agents and others authorized by the settlement licensee to disseminate advertisements; the notification must include the requirements and procedures for approval of any advertisements not furnished by the settlement provider licensee prior to the advertisements' use.

[2003, c. 636, §18 (NEW).]

2.Form and content. Advertisements must be truthful and not misleading in fact or by implication. The form and content of an advertisement of a settlement contract must be sufficiently complete and clear so as to avoid deception. It may not have the capacity or tendency to mislead or deceive. Whether an advertisement has the capacity or tendency to mislead or deceive must be determined by the superintendent from the overall impression that the advertisement may be reasonably expected to create upon a person of average education or intelligence within the segment of the public to which it is directed.

[2003, c. 636, §18 (NEW).]

3.Standards for disclosure. An advertisement must comply with standards for disclosure determined by rule by the superintendent.

[2003, c. 636, §18 (NEW).]

4.Applicability. This section applies to any advertisement of settlement contracts or related products or services intended for dissemination in this State, including advertising on the Internet viewed by persons located in this State. If disclosure requirements are established pursuant to federal regulation, this section must be interpreted so as to minimize or eliminate conflict with federal regulation whenever possible.

The lack of a statement as required in this subsection does not constitute a defense in any prosecution for a fraudulent viatical or life settlement act.
[2003, c. 636, §18 (NEW).]

3.Mandatory reporting of fraudulent viatical or life settlement acts. Any person engaged in the business of settlements having knowledge or a reasonable belief that a fraudulent viatical or life settlement act is being, will be or has been committed shall provide to the superintendent the information required by, and in a manner prescribed by, the superintendent. 5.Exception. The following provisions apply to the imposition of civil liability arising from information provided to or received from the superintendent or the superintendent's employees, agents or representatives.**A.** Subsection 4 does not apply to statements made with actual malice. In an action brought against a person for filing a report or furnishing other information concerning a fraudulent viatical or life settlement act or a fraudulent insurance act, the party bringing the action shall plead specifically any allegation that Subsection 4 does not apply

because the person filing the report or furnishing the information did so with actual malice. [2003, c. 636, §18 (NEW).]**B.** Subsection 4 does not apply to a person's furnishing information concerning that person's own suspected, anticipated or completed fraudulent viatical or life settlement acts or suspected or completed fraudulent insurance acts.
